

INTRODUCING WAVE KEYS FOR BUSINESS

Ergonomic keyboard featuring a wave design and cushioned palm rest for all-day comfort.

ENABLE WORK EFFICIENCY, ALL-DAY COMFORT AND EMPLOYEE WELLBEING

ENTERPRISE SECURE

Logi Bolt wireless technology addresses enterprise security with a fully encrypted Secure Connections Only mode.

WAVE COMFORT DESIGN

Shaped for all-day comfort, this compact layout with number pad provides a typing experience similar to a straight keyboard, making it easy to use.

USER-TESTED, ERGONOMIST APPROVED

Wireless ergonomic keyboard improves employee comfort at work; developed in collaboration with Logi Ergo Lab and certified ergonomic by United States Ergonomics.

MORE WRIST SUPPORT, LESS PRESSURE

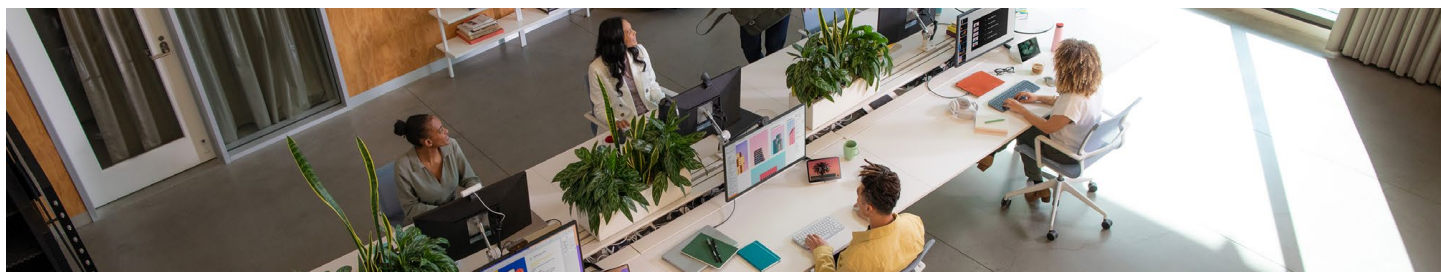

Integrated cushioned palm rest with memory foam layer reduces pressure and provides 57% more wrist support.

EASY TO DEPLOY

Multi-OS layout simplifies deployment to employees with Windows, macOS, or ChromeOS systems; IT admins can remotely monitor devices with Logitech Sync.

UNCOMPROMISED PRO- DUCTIVITY

Enjoy up to 3-year battery life and a minimal learning curve; don't compromise productivity for ergonomics.
